## SUMMARY

An adept Front End Developer with 2 years of experience who contributed to building user interfaces with Angular, React, JavaScript, HTML, and CSS. Seeking challenging position to utilize my technical expertise and contribute to the success of a dynamic organization.

## EXPERIENCE

### FREELANCER

JUN 2023 – PRESENT

- Implemented responsive websites using Angular and React that provide optimal user experiences across all devices and screen sizes, ensuring accessibility and functionality.
- Analyze user requirements and develop clear, detailed technical specifications to assure the successful implementation of software projects.

### PENTACODES LLP | JUNIOR FRONT END DEVELOPER

March 2023 - 2023 - May | Kakkanadu, Kochi, Kerala, India

- Worked on development and maintenance of web application based on customer requirements.
- Debugged and resolved frontend issues to ensure smooth website performance.

### EXIMUZ TECHNOLAB | JUNIOR SOFTWARE DEVELOPER

September 2021 - 2023 - February | Calicut, Kerala, India

- Developed and maintained user-friendly and responsive websites using Angular, React.js, HTML, CSS, JavaScript and Bootstrap
- Collaborated with cross-functional teams, including designers and backend developers, to implement efficient and visually appealing user interfaces.
